

APP DETAILS			CONCEPTS																		
App Number	App Name	Description	100 charts	Nos to 20	Nos to 100	Nos over 100	10 frames	Patterns	Bonds (+ and -)	Sequencing (FNWS, BNWS)	More than / less than	Number sequences (number word before / after)	Skip Counting	4 operations	Fractions	Percentages	Rounding	Place Value	Wright et al	Multiplication Tables	Division
1	Numbers up to 100 (Zahlen bis 100)	Using 10 frames, build numbers up to 100			X		X												X		
2	Twenty Frames for iPad (Zwanzig)	Using 20 frames, work with numbers up to 100		X			X		X										X		
3	Pattern Sets	Screened pattern sets (subitising)						X											X		
4	Whats hiding	10 frames, shown then screened		X			X												X		
5	Line 'em up	Many option settings, sequencing								X											
6	10 frame fill	Bonds to 10																		X	
7	Count Sort	Many option settings, very flexible app					X			X	X	X	X						X		
8	Count to 100	Use 100 chart to count in 1s, 2s, 5s, 10, 25s to 100	X		X								X								
9	Number Find	Hidden numbers, find number on 100 chart	X		X																
10	Number Pieces Basic	Build numbers using number blocks				X												X			
11	Pop Maths Pro	Bubbles - build nos to 10, no timer							X												
12	Bricks 4 Kids	Colourful, sequencing (fwd/bwd), bonds to 10		X					X	X			X						X		
13	Mental Maths	Horizontal sums for +, -, x, / and time. Timed							X										X	X	X
14	Kid Math	Adding / subtracting to 10 and 20, shows collection of items							X												
15	Tell Time Game	Match analog clock to digital time																			
16	Telling Time Quiz	Times. Find time for clock shown																			
17	Clock Puzzles	Many options. Build clock including fractions, numbers, set time, what time etc																			
18	Time Math	What time, set time, elapsed time																			
19	Number Lines	Jumping Frog, + & -, skip counting								X			X								
20	Concentration	Matching game: numbers, tables, fractions, shapes, %s		X																X	
21	Parking Jam	Logic puzzle																			
22	Deep Sea Duel	Choose 3 / 4 cards to make a target sum												X							
23	Number Math	Lots of options, flexible app								X		X
